**DECLARATION OF A STRIKE**

With reference to our letter dated 8<sup>th</sup> October, 2019, we the members of the Technical Universities Administrators' Association of Ghana (TUAAG) have declared an Indefinite Strike.

It would be recalled that we gave all stakeholders notice of our intention to go on strike if issues raised were not attended to by close of work, 18<sup>th</sup> October, 2019.

The reasons for our action are the failure on the part of government to adhere to the following:

- The Placement of our members (Senior Staff and Senior Members in Administration) on the appropriate Base Pay as it applies to the respective Job Grades in the Public Universities
- Interim Arrangement Factor as it relates to the various Job Grades and
- Allowances as it relates to the various categories of staff per the existing Controller and Accountant General Payroll Allowances for the Public Universities

We are by this letter directing all our members to stay away from work until further notice.

Thank you.
